

# Fitzpatrick Woolmer

## Recycled Plastic Bowman™ Option A

Our recycled plastic Option A **Bowman™** information displays offer a highly visible, durable solution, perfect for country parks and nature reserves. Made from 100% recycled UK plastic waste, they offer an eco-friendly information display solution that requires minimal maintenance and will never rot or degrade.

These displays welcome visitors, provide essential wayfinding, and convey your unique brand message at the point of arrival. This ensures a smooth and engaging start to the visitor journey, enhancing the overall experience and creating a lasting first impression.

### Product features
