

Fitzpatrick Woolmer

Recycled Plastic Bowman™ Option B

Our recycled plastic Option B **Bowman™** information displays provide a highly visible, durable solution ideal for country parks, nature reserves, and woodland trails. Made from 100% recycled UK plastic waste, they offer an eco-friendly information display solution that requires minimal maintenance and will never rot or degrade.

These displays effectively welcome visitors, guide them with wayfinding information, and share unique facts about the site's natural history and heritage. They enhance the visitor experience by offering both practical and educational insights at key points along their journey.

Product features

- * Wood effect recycled plastic construction
- * 100% recyclable
- * No maintenance required
- * Tamper resistant fixings
- * Removable graphic panel
- * Cedar effect finish
- * Standard sizes A2 and A1
- * 1 year manufacturer's warranty
