Wallmounting Notice Board - Recycled Plastic

Our **wall-mounting recycled plastic notice boards** provide a sustainable, low-maintenance solution for public information display. Made from durable, weather-resistant materials, they are ideal for parks, schools, and community settings. The design blends traditional and modern elements, making them suitable for a wide range of environments.

Available in single or double door options, each board features secure, lockable doors to protect contents. Built to last with minimal upkeep, they offer an eco-friendly, practical alternative to timber or metal.

Product features

- * Wood effect recycled plastic and stainless steel construction
- * 100% recyclable
- * No maintenance required
- * Can be supplied with or without a header board
- * Robust stainless steel locks
- * Gas struts to support doors when open
- * Tough 4mm clear polycarbonate window
- * Vent holes to minimise condensation
