Waymarking Post - Recycled Plastic

Our recycled plastic **Waymarking Posts** are a versatile and sustainable solution for trails, parks, and outdoor spaces. Designed for long-term outdoor use, they are weather-resistant, low-maintenance, and 100% recyclable at end of life.

Optional extras include colour-coded bands to guide users along multiple routes, waymarking discs for orientation and brand reinforcement, and engraved details such as directional arrows or logos, combining clear navigation with environmental responsibility and value for money in demanding outdoor environments.

Product features

- * Wood effect recycled plastic construction
- * Optional discs, engraved detail and colour coded bands
- * 100% recyclable
- * No maintenance required
- * Standard size 900mm out of ground
- * 1 year manufacturer's warranty
