

## Wallmounting Combination Display

Our **Wallmounting Combination Display** provides a straightforward, space-saving solution for sharing information in public settings. Made from durable stainless steel, it combines a secure, lockable notice board for regularly updated posters and flyers with a permanent display panel, ideal for maps, interpretation, or visitor guidance.

Designed for wall installation, it is robust, weather-resistant, and easy to maintain. Practical and functional, this display is well suited to schools, community buildings, transport hubs, and civic spaces where wall-mounted communication is required.

### Product features

- \* Stainless steel construction
- \* Can be supplied with or without a header board
- \* Removable graphic panel
- \* Robust stainless steel locks
- \* Tough 4mm clear polycarbonate window
- \* Powdercoat finish to standard colour
